A lost and found area is located in each room. Please ask a staff member to assist you if you are searching for a particular item. Unclaimed items will be taken to a charitable organization periodically. Be sure to look for missing items often. **Labeling personal items with your child's name really helps to prevent loss.**

No special equipment is needed so it is best for your child NOT to bring balls, gloves, toys, etc. unless specifically requested by the staff for special occasions. **Children may not bring electronic games of any kind.** We cannot be responsible for loss or breakage of any articles from home. If your child is ill, PLEASE do not send him/her to the Center. We do not have the facilities or the staff to care for sick children. Parents/Guardians will be notified of any signs or symptoms of illness or injury, which occur at the Center. Notification will be made by phone or in person when the child is picked up, depending upon the nature of the illness or injury. **PLEASE KEEP EMERGENCY PHONE NUMBERS UP TO DATE AT THE CENTER!** Any parent/guardian called, due to illness of their child, is **expected to have child picked up within 90 minutes of notification from the Center.** Children must remain home for 24 hours, until symptom free/Tylenol free, or for 24 hours after starting antibiotics, before they can be admitted back to the Center. *A child that is too ill to participate in all scheduled activities needs to remain at home.* The Center has the right to refuse admittance to a child suspected to be ill/contagious and may require a doctor's note before re-admittance.

A **written note of instructions from the physician and parent/guardian** must be handed to staff with oral or topical drugs *including over the counter medicine such as Tylenol, cough drops, etc. before any staff may administer this to your child.* Forms are available in the office. All medication must be in the original container with label of contents and **child's name.** If possible, please arrange a schedule that does not require medication to be administered at the Center. Sunscreen, diaper rash ointment and insect repellent can be applied with the form completed and signed by parent and the container **labeled with your child's name.** **Please help us by putting sunscreen on your child before sending to GCC each day.**

## CONDUCT

Our Summer Program is a fun place to be, but we do have **TWO MAIN RULES:**

- 1) A child may NOT hurt another.**
- 2) A child may NOT destroy property.**

Continued disregard for these two rules may lead to suspension/disenrollment, so please review these rules with your child prior to the Summer Program. Please also be aware that young children make mistakes and are at different levels of social skills and GCC includes all children in the program. Be patient and understanding of children who take longer to learn skills.
