

Greenbelt Children's Center

June 06, 2011

Dear Sir or Madam:

I am writing this letter in regards to Ms. Angela Laymon. Ms. Angela is one of my daughter's teachers at Greenbelt Children's Center who has had a great impact on both my daughter and my life. Ms. Angela has taught me that children speak all of the time, but not always with words. This was especially helpful to me because my child expresses herself through role play. Zoe is a very bright child; however, she has a problem with articulation. Ms. Angela is very knowledgeable about role play, problem solving, and expressing one's self. Ms. Angela is excellent with the children. She is patient, calm, and caring. She has a positive attitude and interacts well with the children. She always greets me with a big smile in the afternoons. Sometimes when I come to pick Zoe up from school in the afternoons, I feel overwhelmed and frustrated from a long day at work and I find myself short tempered and Ms. Angela always has a kind word to say that immediately puts me at ease. I consider myself very blessed to have had her care and assistance in the educational process of Zoe.

I truly appreciate all of her hard work and dedication. I could never repay her for the kindness and expertise she has shown to my daughter and to me. It is not just a job for her, but a way of life.

Sincerely,

Ms. Jennifer M. Simpson, R.N. and Zoe M. Simpson
